

Hello,

I live on Brookstone Lane, and found a fairly young back and white cat today (it seems that he's been seen in the neighborhood for at last a few days).

He has no tags, no chip, is half white and half black, is very friendly, purrs a lot, and will let most people pick him up.

If someone contacted you looking for this cat, please let me know at km@smalltimecharlie.com or cell phone 317-985-1406.

thanks!
